Democracy  *Dinners*

Should voting be made compulsory?

Should you have a more direct say over political decisions?

Would you ever consider standing for election to public office? If not, what puts you off? If yes, what changes might make this more likely?

Chocolates:

Should ballot papers include a 'None of the Above' option?

Please write your answer – simply write *Yes* or *No* – on the back of your chocolate wrapper and give it to your host.
